

PUBLIC NOTICE

Mundet Tennessee, Inc. has applied to the Tennessee Air Pollution Control Division (TAPCD) for a [significant modification to a major source operating permit](#) subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). A major source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations

The applicant is Mundet Tennessee, Inc., with a site address of 170 Geiger Road, Surgoinsville, TN. They seek to obtain a modification to their major source operating permit 553946 for their rotogravure printing operations. It should be noted that this facility has a current major source operating permit. The modification includes the addition of a printing press and control device change. The new control device will be two regenerative thermal oxidizers operating in parallel as a common collector for the presses. The modification also includes ownership change as well as responsible official change.

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Surgoinsville Branch Library
120 Old Stage Road
Surgoinsville, TN 37873-3145

and

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
